

## ELTIF Workshop Series

### 'English for all; all for English' (EFAAFE)

EFAAFE is a new series of online workshops launched by ELTIF. It addresses the needs of both learners and teachers by offering absolutely practical sessions on communicating freely and fearlessly. The interactive sessions are equally shared between the participants and the resource persons— in terms of both time and contents. Moreover, participants are welcome to suggest themes for the forthcoming sessions.

**Saturday, 17 December 2022**

**Time: 5.45 to 6.45 p.m. (IST)**

Vinija78@gmail.com

## EFAAFE - Workshop 4

### Mind-mapping Techniques for Linguistic and Cognitive Development

**Dr. B. Nagalakshmi**

Asst. Professor

SDNB Vaishnav College for Women, Chennai

This workshop focuses on

- highlighting the necessity of using mind-mapping techniques for effective teaching and learning,
- developing cognitive skills through visuals, images, icons, and symbols,
- harnessing the brain-power to sustain learning as well as to develop critical and creative thinking,
- using mind-mapping techniques for note-making,
- planning and organizing writing skills, and
- simplifying the learning of complex literary genres using mind-mapping.
